

SOCIAL SHAREABLES QUICK START GUIDE

Follow these steps to utilize the Water-Right Social Shareables.

Log in to Water-Right.com

- 2 Click on the download image link under picture. The high quality image will open up in a new tab.
- **3** Right click on image, choose "Save image as", save to desktop.
- 4 Select the suggested text next to the image, copy and paste into your Facebook post.
- **(5)** Customize call to action text with your company information.
- 6 Open Facebook and click on "Photo/Video" at the top of your News Feed or Timeline. Navigate to your desktop and select the photo you downloaded to add to your Facebook post.

Click the **Post** button to make your shareable public. Water-Right is pleased to assist you with your social media needs. We have created images and blog posts for you to easily share on your social media site.
